

Dear Judge Beistline

My NAME is Eldridge Bradley.  
I violated my Supervised release. I relapsed  
ON three different occasions.

ON October, 10, 2003 I WAS  
sentenced to 9 months for my part in a  
check conspiracy. After 11 months of  
Supervised release I relapsed on June 10  
2005. I recieved a letter from medicare  
that my fathers biopsy was positive  
for terminal cancer. My 2nd relapse  
was on October, 22, 2005 right after  
my father had complications with the removal  
of polyps from his intestines. My 3rd  
relapse was on April, 21, 2006. I WAS  
at my fathers gravesite alone, and  
became emotional. I am a single father two  
daughters 11 & 13 both on honor roll one  
I visit every six weeks or WAS scheduled  
to visit every six week. She's in treatment  
for Bipolar disorder. IN SAN ANTONIO, TX.  
I volunteered at Palmer Head Start while  
my 5 yr old attended. I ALSO volunteered  
for my 11 yr olds little league when they were  
short handed. I have held mostly seasonal

employment, but I am looking for a permanent job. I also help take care of my elderly grandmother, assisting in her daily living duties.

To achieve my reinstatement into society, I need your help to accomplish a few tasks. First I want to provide a safe and stable home for my children. Second, I would like to get a stable job so I can resume providing for my family. I also would like to be readmitted to the Rite program to complete it. And put back in supervised release. Or Electronic monitoring.

Sincerely

Eldridge Bradley
